PRODUCT BROCHURE

DEMO PRODUCT • SAMPLE PDF FOR WEBSITE TESTING

PRODUCT NAME	Demo Product One
CATEGORY	Sample Collection
PRODUCT CODE	DEMO-001

About this product

This is a sample product brochure created to help you test the ACF File field and the Download Brochure button on a WordPress single product page. Replace this document with your actual product PDF when ready.

Key features

• Clean, simple product information layout
• Sample product details for demonstration
• PDF format suitable for testing file uploads and downloads

Important note

This document is for demonstration and website testing only. It does not describe a real product or contain commercial specifications.

Thank you
